

Declaration of earnings

A statement from the Partners of Heathgate Medical Practice

From 1st April 2015 it is a contractual requirement for Practices to publish on their website the mean earnings (average pay) for all GPs working to deliver NHS services to patients in the Practice.

The mean earnings for GPs working at Heathgate Medical Practice in the financial year ending 30th June 2015 was £94,634 before deduction of employers superannuation (pension) contributions, tax and national insurance.

This is the average pay for the 3 full time and two part time GPs who have worked in the Practice for more than 6 months.
