

Heathgate Medical Practice

Travel service questionnaire

Thank you for your interest in the NHS travel service we provide. Using the NHS 'fit for travel' website, we provide NHS vaccinations that are recommended and required for safe travel to your chosen destination. For other vaccinations, you may have to visit a private clinic.

Please visit www.fitfortravel.nhs.uk to review the travel guidance the NHS recommends and then complete this travel questionnaire, which we will review and then advise whether you need an appointment with us.

Please return this form to us at **least 4 weeks** before your departure date. (One form for each traveller).

Name	Date of birth
Telephone Mobile	E Mail

Details of your trip (please be specific)

Date of departure	
Type of trip	Holiday/Business/Volunteer/Pilgrimage Hotel/Cruise/Camping/Backpacking/Hostel/Family

Country	Region	Rural or urban	Duration

Vaccination record

Most of your previous vaccinations should be recorded in your medical record. Please detail below any vaccinations you may have had outside the NHS at private travel clinics (include dates and types of vaccination).

--

For Practice Use – Travel assessment by the nursing team

Recommended	Last date	Tick if Required	By the GP signing here this acts as a PSD to administer the vaccinations if not covered by NHS Patient Group Directions.
			GP Name Date

**Action for Receptionists – appointment required - Yes/No (Nurse to circle)
When appointment made, this form should be placed to scanning.**
